

MISS REESIDE BRIDE OF LIEUT. WHITSIDE

Wed At Rockville and Returns to Fort Myer—Will Soon Go to Vermont.

Residential society and army and musical circles are interested in the marriage at 9 o'clock last evening of Miss Elizabeth Harmer Reeside, daughter of Mr. and Mrs. Howard P. Reeside, and Lieut. Victor McDowell Whitside, U. S. A., by the Rev. Frank M. Richardson, in Rockville, Md.

The young couple did not notify anyone of their intentions and were accompanied only by the chauffeur, who drove them to Rockville in Miss Reeside's motor.

Though the suddenness of the marriage was something of a surprise, all of their friends had been expecting an announcement of their engagement for some time, as the attentions of Lieutenant Whitside to Miss Reeside had been very marked for more than a year. The members of both families are pleased with the match and have given the young couple their blessings.

Operatic Debut in Milan.
Miss Reeside made her social debut about three years ago, and about the time she made her debut on the operatic stage in Milan, Italy, where she appeared in "Faust." Her musical education was acquired in Milan, Boston and New York. She is the granddaughter of the late Congressman Harmer of Pennsylvania, who was known as "the father of the House."

Mr. Reeside, the bride's father, is president of the Washington Gas Light Company and is prominently identified with financial interests in this city.

Lieutenant Whitside was appointed a second lieutenant in the Seventh regiment of cavalry by President Roosevelt. It was a civil appointment. It is said that he was recently raised to the rank of first lieutenant, but the appointments have been delayed in Congress.

Going To Fort Ethan Allen.
He is the son of the late Brig. Gen. Samuel M. Whitside and Mrs. Whitside General Whitside, before his death, built a handsome home on the Hook, with a fine view of Bethesda, Md., where he lived until his death, about ten years ago. His widow continued to reside there until she sold the place a few years ago to W. A. Pate and now resides in the Westmoreland apartment.

Lieutenant Whitside has a brother in the service, Capt. Warren Whitside, of the Fifteenth Cavalry, stationed at Fort Royal, Va. His sister is the wife of Capt. Archibald Miller, U. S. A., of the Second Cavalry, stationed at Fort Ethan Allen, Vermont.

Immediately after the ceremony Mr. and Mrs. Whitside returned to Washington and are now at Mrs. Hook's. Lieutenant Whitside has just completed two months leave, they will not go on a wedding trip, but will remain at the Virginia post for about ten days, after which they will go to Fort Ethan Allen, Vt., where Lieutenant Whitside is to be stationed.

Both of the young people will be missed in Washington, where they have enjoyed unusual popularity.

Right Stocking Her Bank; Thief Pulls Off Left One

HARTFORD, Conn., Feb. 28.—Mrs. Annie Dietz, of 115 Mechanics street, prudently wore woolen sleeping hose when she went to bed last night. She was cold. Testifying in court against Michael Arenewich, who was held in \$500 bail on the charge of burglary and attempted theft from person, Mrs. Dietz said:

"As I was placing a roll of \$500 in my stocking I heard a slight noise, and, looking out, thought I saw this man stepping back from my bed room window. The next moment I was awakened by feeling one of my stockings being pulled off. Before I could turn on a light the intruder jumped through the window and disappeared with my left stocking."

The chief reason why Arenewich was charged merely with attempted theft was that Mrs. Dietz put the money in her right stocking.

Salvation Army Warns City Against Impostors

A warning has been issued by Adj. W. H. Heit, commander of the industrial department of the Salvation Army, against impostors, reporting to be operating in the District under the guise of the army collectors.

The public is warned not to give donations of any kind to any persons representing themselves to be Salvation Army men, unless they wear the regulation "army" cap, with the blue badge reading, "The Salvation Army Industrial Department."

Beauty—Health—and Teeth

Says Prayer Found Her Two Kidnaped Children

LOS ANGELES, Feb. 28.—Eager to see her two children, kidnaped from her sixteen years ago and just found after a search she never abandoned, Mrs. Ella Barthart declared she would mortgage her little home and go to them at once.

"It was the power of prayer," she said, in telling how, after inquiring from house to house in the cities of many States, she at last discovered the whereabouts of her boy and girl in Oklahoma.

Mrs. Barthart was living with her husband at Mt. Vernon, Mo., when her husband kidnaped the children while she was sick. As soon as she recovered she started the search which lasted for sixteen years.

The Easiest Way To End Dandruff

There is one sure way that never fails to remove dandruff completely and that is to dissolve it. This destroys it entirely. To do this, just get about four ounces of plain, ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better. You can get liquid arvon at any drug store. It is inexpensive, and four ounces is all you will need. This simple remedy has never been known to fail.—Advt.

DRINK HOT TEA FOR A BAD COLD

Get a small package of Hamburg Breakfast Tea, or as the German folks call it, "Hamburger Brust Tee," at any pharmacy. Take a teaspoonful of the tea, put a cup of boiling water upon it, pour through a sieve, and drink a teacup full at any time. It is the most effective way to break a cold and cure grip, as it opens the pores, relieving congestion. Also loosens the bowels, thus breaking a cold and cure grip. It is inexpensive and entirely vegetable, therefore harmless.—Advt.
